BASIC INFORMATION

Born March 8th, 1979 in Zagreb, Croatia. Spouse Ivana, graphic technology engineer. Daughters Niki (2004) and Stela (2007).

Although I have built my career as a professional photographer, I took any opportunity to explore other fields of interest – organizational tasks of all levels, from field operative to head manager. My comparative advantage lies in the knowledge and experience of a broad spectrum of business activities and an active desire to work on all sorts of assignments needed to complete a goal.

EDUCATION

Master photographer

2013. – received the highest craftsman’s status from the Croatian Craftsmen Chamber, licensed to educate;

Faculty of political sciences

1997. – 2000. – Enrolls and studies political science in Zagreb, Croatia;
